Writing

My favorite computer game is Grand Theft Auto V. There are 3 main characters: Franklin, Michael and Trevor. They are criminals and they're trying to live like normal people. They're living in Los Santos city in America. They want to rob the Union Depository. Franklin is 20 years old and he is living with his aunt. Michael is 50 years old and he was a criminal in the past, but now he retired until he lost all of his money. Trevor is psycho and he lives in desert, now he wants to have his own business.

I would recommend this game to people who like playing shooter.
