Writing

It was a ^{perfect} sunny day. Helen went to the sea to swim. When she was swimming, two dolphins were swimming beneath her, when suddenly they swam to the surface to swim with Helen. Helen got scared but then started smiling and laughing. ~~Dolphins just wanted to~~ when she realized they just wanted to swim with her. ^{they saved her} She started swimming again but now with two dolphins. ^{her princess} When she returned to beach she waved to dolphins and said goodbye. When they were near the beach and saw a boat that was undocking from dock. When she returned to beach she became sad because she didn't have enough time with her "friends".
