Writing

This summer me with my friend Ira were walking in our city. We just laughed and get fun. But in the moment we heard some strange volume. We looked at the back and saw that it was the big bottle of tea ~~fall~~ at the ground.

We get know that this bottle was of bad-hear grandma (we don't met her before). We get the bottle back to her, laughed at it a little and come to our walk again with good mood and vibes.

It was very funny and I feel myself very good. I think this thing was some a sort of kind. Now I know: the arm is need some work on it, but you should do it. And sometimes you need to be kind with strangers to feel yourself a some better
